Raphael Tuck & Sons' "Oilette"
After the Original Painting by BEATRICE MALLETT

Postcard No. 3610.

Many thanks for the Oilette
you. I have on a stage
set along in evening, but expect to
be fairly late, as we must first
discontinue opening exhibits
on Friday. There is a good many
current stuff too! But I hope
to be 30 in any case. Hope you
feel better.
